

Brief Summary of 08/31/09 Parent Meeting

- No Dues increase for 2009-2010 season; this is our 3rd season at the same Dues level
- Family Fee has been increased to incorporate the Winterfest Meet Donation Fee in order to simplify collection
- E-mails will be sent to collect any remaining relay fees owed from the 2008-2009 season
- Please write separate checks for Dues, Meet Entry, Social, Clothing, etc.; they are reconciled by different people; please use the 'memo' line on your check to list your swimmer's name and a brief description of what the money is for
- Fundraising opportunities will consist of SCRIP, Coffee Beanery and ads and approved donations received for Winterfest
- Watch the website for a Late Pick-up from Practice Policy
- The High School Pilot Program is being evaluated
- As a parent-run swim club, parents are critical to running BAC. Consider helping with the financial part of the club. Parents in the financial functions now need to train members with younger swimmers to ensure a smooth transition and ensure BAC's future success
