

BAC Member Policies and Procedures **Practice Schedule**

Practice Schedule

The BAC practice schedule will be available to all members on the BAC Web site (www.bulldogaquaticclub.com) under the "Practice Schedule" menu from any page on the web site. This schedule will detail the days, times, and locations for each swimming group and the location (a map to the location will be linked to each entry). Any anticipated changes to the practice schedule will announced in the weekly Doggie Updates section of the web site and emailed to each member at the beginning of the week. In the case of a last minute change, all members will be notified via email.
