- (2) All entry times must be designated as SCY, SCM, or LCM. Any entry time having an inaccurate course designation will not be accepted.

**Scratch
Rules/
Individual
Events:**

- (1) All individual events will conform to the USA National Scratch Procedure **with the exception of the 800m Free and the 1500m Free**. With these rules in effect you are no longer required to “check in” for any individual events – you are already “checked in” by virtue of your entry and thus expected to swim the event. If you are entered in an event you must swim the event or, if desired, scratch the event correctly in order to not be penalized. To scratch a preliminary or timed finals event you must drop a scratch card in a scratch box by the time stated. To scratch from a Finals event (that you have qualified for) you must scratch or declare your intention to scratch within 30 minutes after the qualifiers are announced pursuant to 207.12.6 (E). If you fail to scratch out of any individual event correctly and fail to compete in the event - you will be penalized.
- (2) Once a scratch card is dropped in the scratch box the swimmer is declared scratched from the event. Only coaches and swimmers may use a scratch card to scratch an event.
- (3) A separate scratch card must be used to scratch each individual event a swimmer desires to scratch. Exception: A coach may use a single scratch card to scratch a swimmer from all events the swimmer is entered in (ie. remove the swimmer from the entire meet).

**Penalties for
Failure to
Compete:**

Preliminary and Timed Final Events: If you fail to drop your scratch card by the time stated for the event and fail to compete, the swimmer will be barred from all further preliminary individual and relay events of that day. Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day’s event. (See Meet Referee or his/her designee).

Finals: If you qualify for finals as a result of your preliminary swim and fail to properly scratch or properly declare your intention to scratch pursuant to the rule within 30 minutes after the final qualifiers are announced and fail to compete in the finals at night, you will be barred from further competition for the remainder of the meet. NOTE: If you declare that you may want to scratch an event but do not return to confirm that scratch within 30 minutes following the conclusion of your last event, you will be seeded into the Finals event and will be similarly penalized if you do not compete in Finals (See Meet Referee or his/her designee).

800m Free and 1500m Free Timed Final events: If, after you check in for the 800m Free or the 1500m Free and (A) as a result of top 8 seeding and failing to properly scratch and failing to compete in the evening Finals, the swimmer will be barred from swimming any events for the remainder of the meet, or (B) as a result of being seeded in the heats that swim during the morning sessions and fail to compete, the swimmer will be barred from swimming any further preliminary individual or relay events that day. Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day's event (See Meet Referee or his/her designee).

Seeding: Individual Events:

(1) The 13/14 and Open individual events will be swum in preliminary/final format except for the 800M and 1500M Free which are Timed Finals events.

(2) The 10 & Under and 11/12 individual events are all Timed Finals events.

Carefully consult the Heat Sheet posted on deck for your heat and lane assignment.

(4) The Open Mens 800M/Womens 1500M Free will be seeded after the scratch box closes. The fastest seeded heat (top 8) after scratches (if any) of the Mens Open 800M/Womens Open 1500 Free automatically qualify for Finals and will swim in the finals session on Sunday night. The remaining heats of the Mens Open 800M/Womens Open 1500 heats swim during the morning sessions. Time Trials: Time trials may be offered for all events each day immediately following the conclusion of the preliminary heats (only after the morning session) at the sole discretion of the Meet Referee and Meet Director if time permits. Time trials are \$7.50 for an individual event and \$15 for a relay. Time trials are subject to the Michigan Swimming Championship Time Trial Rules which are reviewable in full on the MS website. Notable portions of the rule include (1) To participate in time trials the swimmer must be already participating in this Long Course State Meet, either in an individual event or a relay event (including relay only athletes). A swimmer does not have to actually swim an individual or relay event to participate in time trials so long as the swimmer is entered in the meet or listed as a relay only

(including alternates) swimmer. (2) Swimmers are limited to two time trials for the entire meet (3) Time trials count against the total number of individual events per day (no more than 3 individual per day) but not toward the total number of individual events for the entire meet (6). If an athlete has entered the maximum number of individual events allowed per day and wants to swim a time trial, the athlete must scratch an event using the scratch box by the stated deadline or not swim the time trial in order to assure the limit of swims per day is not exceeded.
